

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

The American Federation of Arts was organized in May, 1909, for the purpose of uniting in closer fellowship all workers in the Field of Art, and encouraging the development of Art and its appreciation in America.

Its membership is made up of organizations, which become Chapters, and individuals who are classed as Associate, Active or Sustaining Members, Patrons or Benefactors.

The annual dues are as follows: Chapters, from \$10 to \$50; Associate Members, \$2; Active Members, \$10; Sustaining Members, \$100; Patrons are those who contribute \$250 or more, and Benefactors those who contribute \$1,000 or more.

The American Federation of Arts sends out traveling exhibitions, circulates illustrated lectures and publishes ART AND PROGRESS with the purpose of increasing knowledge and appreciation of Art.

It earnestly desires the coöperation of all who are interested in these objects. Membership blanks and further information will be furnished, upon request.
